COMMUNITY LARDER

Gowan Stop and Go Bus Stop Open 24 hours

The Community Larder is our own informal food bank, open at all times so that nobody in our community has to go hungry. The food is provided by a grant from Cumbria CC, the Food FareShare scheme and any donations you can leave in the larder.

PARISH COUNCIL ALLOTMENTS

The Parish Council owns two areas of allotments, one at Fell Foot in the Kentmere Valley and a smaller area in the village called the Frona Williams Allotments. One or two plots may become available at the end of March 2022.

If you are interested in becoming an allotment holder, please get in touch with the Parish Council Clerk, Mrs June Lee on staveleyings.parish@gmail.com or phone 01539 729382

THE NEW ABBEY

We think we've got a great model for the New Abbey which includes small scale independent living apartments alongside a care hub to support people in their own homes.

The County Council have agreed not to sell the Abbey on the open market, for now, which gives us an opportunity to negotiate a great deal.

Get in touch with Fran at francesrichardson@hotmail.co.uk to find out more or to get involved. We need a wide range of skills and voices to be successful.

STAVELEY PLAYGROUND

Staveley Village Association and its supporters have raised £100k (of the £120k required) to renovate the Staveley Playground. This includes grants from Cumbria County Council and The National Lottery.

Installation of the new equipment is scheduled to begin in early April and should be complete before 1st May.

We need to raise £15k through donations and community events.

Please email secretary@theSVA.org or visit www.thesva.org to find out how you can donate or get involved.

ALEX ROW

The Parish Council is working with SLDC to redesign and improve the appearance of the recycling area. This is a work in progress but expect to see some changes this summer.

SEWAGE REPORT

The Parish Council has now established a Task Group to try to resolve the unsatisfactory sewage discharges. The problem is caused by the pipe under the Kent being too small as it takes waste from the village to the WWTW. A moratorium on new build that threatens to increase sewage overflows is now in place. Monitors will be installed in the sewerage system soon.

HIGHWAYS CONSULTATION

We are awaiting a consultation on highways improvements from Cumbria County Council this spring in Staveley and Ings. Proposals include parking restrictions and 20mph limits. Look out for the consultation on noticeboards and social media.
